| | International Society for Cellular Therapy: A gateway to connect, communicate and translate. |
| | Abstract / 要旨 |
| Oral Presentation | International Society of Cellular Therapy (ISCT), founded in 1992, is a global society of clinicians, regulators, technologists, and industry partners with a shared vision to translate cellular therapy into safe and effective therapies to improve patients' lives. ISCT Members gain access to an influential global community of peers, experts, and organizations invested in cell therapy. ISCT offers a unique collaboration between academia, regulatory bodies, and industry partners in cell therapy translation. With the celebration of its silver jubilee, ISCT has been with the mission to drive the translation of all cellular therapies for the benefits of the patients worldwide. |
