

Travel Grants for Applicants of Free Paper from abroad

In 59th JSHG and 21st JSGDT, we are pleased to offer about JPY50,000 each as travel grant to applicants of free paper from abroad. Researchers who study actively in the life science are welcome. We are waiting for your application!

Application period: May 15th (Thu) – July 9th (Wed), 2014

◆Qualifications for Applicants

- Under 40 years old as of November 20th, 2014
- Regardless of nationality
- Those who have submitted an abstract as a free paper speaker or a poster presenter
- Those who have submitted a “Registration Form” (MS Word file) to the secretariat
- Those who can accept to post your name and affiliation on the websites if your application is approved.
- Registration and banquet fees are charged.

◆How to apply

Please e-mail to the secretariat (jshg59-gene21@aeplan.co.jp) with the following information.

- Current affiliation/laboratory that you belong
- Your current position
- Certification or website URL of the above affiliation/laboratory to prove your affiliation (If you show the certification, e-mail it as an attached file. Duplicate copy is acceptable.)
- Abstract submission number (5-digit)
- Registration number

※If your qualifications are not completely fulfilled, your application is not applicable.

◆Considerations

If we receive the large number of applications, the organizing committee of the meeting will decide the grants awardees with carefully reviewing each abstract. In such case the grants may not be provided to all applicants. Please note that the organizing committee of the meeting is entrusted to judge of acceptance.

◆Acceptance notice

Will be sent from the end of August to the beginning of September (tentative)

◆Attention

The following items will be confirmed by us during the meeting.

- Exit and entry stamps on your passport
- Receipts of air tickets. Surly keep the receipt.
